**Giang
Nguyen**

Ho Chi Minh City
Vietnam

Giang is a FinTech entrepreneur based in Singapore. Her first company, Vest Wealth Management was a digital investment advisor aiming to democratize investing in Mexico and Latin America. In 2016 BBVA named Vest one of LatAm's most innovative FinTech startups. Her second company was an online community for women entrepreneurs starting their first business in Latin America. She received her MBA from the prestigious IESE Business School in 2023.

Giang's MTP is Democratize Wealth. She is passionate about creating equality in wealth distribution and economic development in emerging markets. She holds a degree in Finance from the University of Washington.

Giang has been part of the ExO network since 2015. She has taken roles of Reporter, Coach, Advisor, and Disruptor. She is a young powerhouse who can really help her teams think differently about the future.
